A Special Welcome to our Guests!

We are glad you chose to worship with us today. We hope you enjoyed the service. If today is your first time visiting, we hope you will fill out a visitor’s card and pick up one of our special gift bags.

Missionary Moment

The Lord called David Brown, and his wife, Shannon, to retire to Moldova to serve alongside IMB missionaries Ryan and Jenni Meredith. “I wanted to retire to something, not from something,” David said. The Browns and the Merediths are the first IMB presence Moldova has had in many years.

The team has a three-part ministry focus. The first ministry focus is to expand the disciple-making efforts in the Hincesti district of Moldova. The goal is to reach many others for Christ and eventually plant new churches where none exist today. The second ministry focus partners the Browns with a local pastor in the Orhei region to reach the population of 50,000 with the gospel. And the third ministry focus is building relationships with University Divitia Gratiae, a Baptist seminary in Chisinau. The seminary helps send missionaries to Central Asia.

David and Shannon’s days are full, but so are their hearts. Their retirement looks different from the average American’s—and that’s just what they wanted.

Pray that God would show up in big ways and revive what has become stagnant in Moldova.

Prayer requests from our Moldova Missionaries

*Please pray for the launch of their digital engagement ministry. They are excited to launch this ministry and pray for many seeds to be sown and for the local partners to catch this vision and to be willing to work alongside them.

*Pray for the family as they fly to the US to take part in a missions conference. Pray for their health as they travel, the health of the conference attendees. Pray they get to see many family members while in the US.

*Please pray for them as they spend time with the *A family and continue to have conversations with them, and for the Lord to open their hearts to Jesus. Also pray for local partners who are seeking to plant churches.
